

cruise HALIFAX

Stroll through the lush Public Gardens. Tour the impressive collection at the Art Gallery of Nova Scotia. Explore a museum... welcome to Halifax. Nova Scotia's vibrant capital city hums with culture and history just waiting to be explored.

Halifax's central location makes it easy to enjoy many of Nova Scotia's world-famous shore excursions such as Peggy's Cove, Lunenburg (a UNESCO World Heritage Site), the Bay of Fundy, the Annapolis Valley, and much more. Like everywhere else in Atlantic Canada, the only thing more beautiful than the scenery is the good nature of the people you'll meet on your travels.

- Experience a guided tour at the Halifax Citadel National Historic Site
- Visit the lovely Lunenburg – a charming, colourful town and one of the only two urban communities in North America designated as a UNESCO World Heritage Site
