CORNER BROOK

The Port of Corner Brook is known for its rugged coastal scenery framed by towering mountains, where ocean spray is in the air and nature-filled activities are easy to come by.

Indulge in all the conveniences of big-city life while surrounded by breathtaking views and warm, small-town hospitality. Feast your eyes on majestic mountains and lush forests. Soak up some local culture with a visit to some of the many downtown shops, art galleries, and restaurants.

Welcome to Corner Brook – where urban meets nature.

THINGS TO DO

- Explore Captain Cook's National Historic Site along the coast and experience the traditional fishing village lifestyle
- Hike the iconic Corner Brook Stream Trail Network throughout the city
- Take in the breathtaking Gros Morne National Park – a UNESCO World Heritage Site
- Embark on a ziplining tour like no other with Marble Zip Tours
- Visit the NL Historic Train Site – the perfect family excursion
