ST. JOHN'S NEWFOUNDLAND & LABRADOR

Welcome to St. John's – where vibrant culture meets dramatic coastal beauty.

Sail through the harbour entrance and discover North America's easternmost and oldest city, famous for its colourful row houses, warm hospitality, and lively downtown.

Explore historic Signal Hill, wander through The Rooms, or hike scenic coastal trails with sweeping ocean views. From local boutiques and world-class dining to rich history and authentic cultural experiences, the Port of St. John's offers something unforgettable around every corner.

THINGS TO DO

- Stroll downtown and explore some of North America's oldest, most colourful streets
- Hike coastal trails and enjoy sweeping views from Signal Hill
- Discover art, history, and culture at The Rooms
- Venture underground at the Johnson Geo Centre
- Stand at the continent's edge at Cape Spear Lighthouse
- Visit Quidi Vidi Village for a timeless glimpse of outpost life near the city
